وصف:

By far the best plot in La Zagaleta!

Your home is surrounded by a natural domain of valleys, wooded groves and mountain streams. With lovely views over the Mediterranean Sea, the elegant Clubhouses and the Equestrian Centre on your doorstep, and those of Marbella just ten minutes away.

This is the singular quality of life offered only by Zagaleta.

With a large plot of nearly 8000m2 and commanding views over the sea and mountain.

Conveniently located close to the south gate at a cul de sac.
