Modern Apartments in Green Imanta

Four Seasons is a modern three-storey residential development located at 1 Kooperatīva Street in Imanta, Riga. The project combines well-considered architecture, functional apartment layouts and A-class energy efficiency, offering a comfortable living environment for families, couples and individual buyers alike.

The development offers apartments of various sizes, ranging from approximately 34 to 87 m^2, with two-, three- and four-room layouts. This variety allows buyers to choose a home that suits their individual needs and lifestyle. A-class energy efficiency helps reduce energy consumption and everyday maintenance costs.

Green and Well-Maintained Surroundings

One of the project's key advantages is its green surroundings and the opportunity to enjoy a more peaceful lifestyle while retaining the convenience of city living. Nearby amenities include cycling paths and a variety of sports and leisure facilities, such as Volvo Ice Hall, tennis courts, a football field and a 24-hour fitness club.

Convenient Everyday Infrastructure

Imanta offers well-developed infrastructure, with shops, shopping centres, schools, kindergartens and healthcare facilities nearby. Convenient public transport connections, including trams, buses and trains, provide easy access to Riga city centre and other parts of the city. Riga International Airport is approximately a 15-minute drive away.
A Home to Live in and a Long-Term Investment
Four Seasons offers an opportunity to purchase an energy-efficient home in one of Riga's established residential neighbourhoods, combining proximity to nature, a modern living environment and convenient access to the city's infrastructure.
