وصف:

2,5 acres of fig production with an average annual harvest of 12 tons. The land includes an urban article, a house with two bedrooms, living room and bathroom (lies as agricultural warehouse in the notebook). It has cold chambers and an additional 50 m2 warehouse. Irrigation water is supplied from a bore and dam.

Lagoa is situated in the Algarve in the fertile lands of the Barrocal. The downstream of the river Arade separates Lagoa from its neighbour city Portimão. The National Road 125, the most important road that crosses the East Algarve to the west, passes directly through the city. The coastal region of the municipality of Lagoa has many of the most beautiful beaches from the western Algarve. Most of these beaches have an excellent infrastructure and a large offer of water sports. The rock formations and the caves, carved by the sea and the wind through the millennia, are worth a visit. It is also recommended a boat excursion to explore this coastal area on the side of the sea or hiking along the cliffs.

Some of the most well-known golf courses in the area are between Lagoa and Carvoeiro: Gramacho and Pinta (which are part of the Pestana Golf Resort), and the 9 holes Vale de Milho course. Other golf

courses, no less fascinating, are a 30-minute drive away.

An integral part of the leisure options in Lagoa is Slide & Splash, one of the most popular aquaparks in the Algarve, located between Lagoa and Estômbar. Lagoa is considered the main and most relevant vineyard zone of the Algarve. The building of the Adega Cooperativa de Lagoa (cooperative wine house of Lagoa), situated at EN125, encompasses an art gallery, where an interesting Christmas fair takes place in December. Be sure to see also Quinta dos Vales, in Estômbar, a unique combination of a wine house with an art center set up in the heart of the vineyards, which has permanent exposures of modern sculpture. At the east exit of Lagoa city it is located the land that embraces FATACIL, the well-known Craft, Tourism, Agriculture, Trade and Lagoa Industry Fair, which takes place annually in the second fortnight of August. In addition to the wide exhibition, this fair also offers a varied music and entertainment program.
