Propriété à:	Vendre
Prix:	EUR 257,000

Location

Adresse:	Costa del Sol
Soumis:	13/10/2026

Description:

Here's a home that really nails it: a spacious, stylish one-bedroom apartment tucked inside a quiet, secure complex that's close to everything you want. Step outside and you're within easy walking distance of the beach and a variety of bars, restaurants and shops lining the coast of Torreblanca, Los Boliches, and Fuengirola.

Inside, the place feels just like new—modern décor, It's got that move-right-in vibe, whether you're looking for your next home or a smart rental investment. The building's got a beautiful well kept communal pool and plenty of gardens to escape into, so you get that central convenience without having to sacrifice peace and quiet.

The main living and dining space is bright and open, with a fully fitted kitchen right as you walk in. It's loaded with all the essentials—fridge, freezer, oven, and hob. Huge sliding doors pull natural light into the room and open straight onto a wide terrace stretching the length of the apartment. Perfect spot for morning coffee or winding down in the evening.

The master bedroom's spacious, with built-in mirrored wardrobes and a window looking outdoors. The bathroom doesn't disappoint either—sleek tiles, a walk-in shower, modern basin, and WC. Everything's finished to a high standard and feels fresh.

All in all, it's a fantastic property with an amazing location - A MUST SEE!

As for the neighborhood, both Los Boliches and Torreblanca have their own flavor. They're lively but without the wild pace you find elsewhere. The high street in Los Boliches is packed with unique little bars and restaurants—lots of international options, but plenty of places serving quality local food, too. This area has its own personality. Torreblanca runs right along the seafront, but it's a little more laid-back than its neighbors. Grabbing a drink or a meal while you watch the sun dip over the Mediterranean is just part of the lifestyle here. Bonus: Both areas have their own train stations for easy exploring or commuting.
