Located in Moraira, in the Sabatera area, this charming bungalow stands out for its Mediterranean character and inviting outdoor spaces, which form an essential part of the home. Natural tones and wooden details add warmth throughout, creating a relaxed and welcoming atmosphere both inside and out.
The property offers a comfortable and functional layout, with a particularly seamless connection between the indoor and outdoor spaces. Four separate doors open directly onto the garden and the different terraces, reinforcing this sense of continuity and allowing the outdoor areas to become a natural extension of the home.
The bungalow offers the following layout:
An openplan kitchen.
A spacious and bright living room, decorated in warm, natural tones.
A generously sized double bedroom with plenty of natural light, as well as a walkin wardrobe with fitted cupboards and additional storage space.

One of the most distinctive features of the property is its garden, divided into three different areas and surrounded by Mediterranean and tropical vegetation. The terraces and seating areas blend naturally with decorative flooring and elements of wood and stone, creating private corners with their own character. These include a cosy terrace with an outdoor sofa and another area with a table and chairs, ideal for al fresco dining and making the most of Moraira's pleasant climate.
