Omschrijving:

A magnificent sprawling estate awaits you in one of Samuia€™s most prestigious neighbourhoods. Perched high above the striking blue waters of Chaweng Noi, this property dominates the hillside with its 3,600m2 plot and breathtaking panorama. Designed with only the finest building materials by an award-winning German designer, the blend of modern design and local natural aesthetic has been implemented with attention.

Privacy assured for you and your guests as you relax inside or on the sizeable outdoor deck. The close-up sea view will inspire every time and both Chaweng and Chaweng Noi beach can be seen in great detail below. To the rear, there are beautifully kept gardens with tropical plants, flowers and the visible natural rocky features of the natural landscape. The villa has been designed to be bright and airy with plenty of glass and sliding doors so that occupants can stay comfortable throughout the day.

The villa features a total of 5 bedrooms ensuite and has room for expansion for a gym. There is an external spa room where guests can enjoy a massage as well as a steam room. The property is fully gated and secure, with covered parking outside.

The finest of that which Samui has to offer is located nearby, numerous restaurants, beaches and bars can be reached in a short time. Lamai, Samuia€™s second resort town with ita€™s arguable more laid back atmosphere, can be arrived at in approximately 10 minutes.
