Omschrijving:

This pleasant apartment, featuring contemporary architecture, offers an elegant, fully equipped open-plan kitchen connected to the living room, with access to the propertys balcony.

The master bedroom includes an en-suite bathroom with an Italian-style walk-in shower and a wardrobe. There are also two additional rooms that can be converted into an office, TV room or bedroom, as well as a full bathroom with a shower. The apartment also benefits from a practical pantry.

The exclusive leisure area is located on the rooftop and comprises a terrace and a pleasant private swimming pool.

The property is sold furnished and equipped.

With a relatively modest investment, you can become a co-owner of a full property unit that will be available for your annual use according to a rotating schedule.

You will become one of four independent co-owners of a luxurious apartment in our development, with each one-quarter share of the property individually registered.

This arrangement allows the costs associated with taxes and maintenance to be reduced, as they will be divided equally among the four owners. Each owner will be entitled to use the property for 12 weeks per year.

Located in the centre of the charming village of Porto Covo and just a few minutes from the most beautiful beaches of the Alentejo Coast, Pestana Porto Covo Village is the ideal destination for those seeking comfort, tranquillity and an unforgettable seaside experience. The modern and welcoming accommodation offers distinct and carefully decorated spaces, designed to ensure well-being, privacy and moments of complete relaxation. Here, the best of Porto Covo is always just a short walk away nature, gastronomy, beaches and all the authentic spirit of the region.
