Luxury New-Build Villas with Private Pool in Finestrat

Discover these stunning new-build villas in a beautiful location in Finestrat, close to the golf course and surrounded by the impressive mountain scenery of the Costa Blanca. Combining modern comfort, spacious living, privacy and an excellent location, these villas are ideal as a permanent residence, holiday home or investment property.

Each villa is built on an attractive private plot and offers 3 spacious bedrooms, all with their own en-suite bathroom, as well as an additional guest bathroom. The bright and spacious living room blends seamlessly with the modern living areas and provides direct access to the terrace and outdoor space.

Outside, you can make the most of the wonderful Mediterranean climate. Each villa features a private swimming pool, a spacious terrace and a private solarium, providing the perfect place to relax, enjoy the sunshine and take in the beautiful surroundings. The area offers spectacular views towards the iconic Puig Campana, one of the best-known mountains on the Costa Blanca.

The location is excellent. The charming village of Finestrat is nearby, while a wide range of shops, restaurants and the large local shopping centre are all within easy reach. The beautiful beaches of Finestrat and Benidorm are only around 5 minutes away by car.

Here you can enjoy a peaceful and attractive setting with wonderful views, while still having beaches, golf courses, shopping facilities and lively coastal towns close at hand.
For those looking for even more living or storage space, there is also the option to add a basement at an additional cost. This extra space can be customised to suit your individual requirements and could be used for additional bedrooms, a gym, home office, games room, home cinema or garage.
A unique opportunity for anyone looking for a modern luxury villa with a private pool in Finestrat, in a prime location between the Mediterranean Sea, the mountains and the golf course.
