وصف:

In previous eras this former hotel was an ancient relay for transhumance shepherds and Saint Jacques de Compostella pilgrims and is located in the center of a traditional village in the Pyrénées. The property is full of old character features – large open fireplaces, exposed stone walls and wood beams and flagstone floors.

The vast property of almost 1000 m² over 3 floors has two lovely spacious reception areas, a bar, a professional kitchen, and toilet facilities on the ground floor. The upper levels consists of 20 bedrooms, each with a full bathroom, and private apartment.

Set in 1000 m² of gardens the property has a large sunny terrace area with private parking and a garage.

Located 10 mn south of Oloron Sainte Marie between the foothills of the Pyrenees and the beaches of the Atlantic coast and only 1 hour from Spain the property would be an interesting acquisition for someone looking for an establishment from which to run a reception venue or Bed and Breakfast activity.
