Description:

Beautiful Traditional Spanish Villa with Breathtaking Salt Lake & Sea Views

This beautiful detached villa, built in traditional Spanish style, offers spacious accommodation all on one main level, complemented by breathtaking views across the salt lakes and towards the sea. Ideally located just a 10-minute walk from the town, this is a fantastic property offering space, character and excellent potential.

The villa features three spacious bedrooms and three bathrooms, with built-in wardrobes and plenty of room for family and guests.

The large, independent kitchen offers ample workspace and room for dining, while a separate sun lounge provides the perfect place to relax and enjoy the spectacular views across the swimming pool and surrounding landscape. The main living area comprises a generous lounge and open-plan dining room, again benefiting from those wonderful views.

Outside, the property offers excellent entertaining space, including an outdoor kitchen and barbecue area. This space could potentially be converted into separate guest accommodation or an independent apartment, subject to the necessary permissions.

The villa also benefits from a substantial underbuild, currently used as an additional lounge and games room, providing versatile extra space with plenty of possibilities.

Although the property would benefit from some renovation and modernisation, it is ready to move into and offers an exciting opportunity to create a wonderful home tailored to your own tastes.
With its traditional Spanish charm, generous living spaces, spectacular salt lake and sea views, and convenient location within walking distance of the town, this is a property with enormous potential, whether as a permanent residence, a holiday home or a home for entertaining family and friends.
