Description:

Located in the peaceful and prestigious Foz da Ria condominium in Vale da Lama, this pleasant first-floor apartment offers an attractive combination of comfort, functionality, outdoor space and beautiful sea views.

The property is legally registered as a studio (T0), but currently features an adapted and highly functional layout, with two separate areas used as bedrooms, providing functionality similar to that of a two-bedroom apartment.

One of the areas currently used as a bedroom was created by enclosing the former kitchen, which was originally open to the dining area, while the other corresponds to the conversion of an area that was originally a balcony.

The living area comprises a comfortable living and dining room, with direct access to the balcony and sea views, while the kitchen, located on the opposite side, also has access to its own balcony.

For greater comfort throughout the year, the apartment is equipped with air conditioning in the living room and in one of the bedrooms.

The property also includes a parking space and a storage room, providing additional convenience and storage.

The apartment is situated within the Foz da Ria condominium, a peaceful residential area surrounded by nature, offering excellent facilities including outdoor swimming pool, a children's pool, tennis court, gym, sauna and jacuzzi, as well as beautifully maintained gardens.

The location is another major attraction. Situated in Vale da Lama, the condominium enjoys a privileged position overlooking Alvor Bay and Meia Praia, in a peaceful setting while being just a few minutes' drive from the beaches, Palmares Golf Course and the centre of Lagos.

An excellent opportunity for those looking for a property in a peaceful and highly sought-after location in the Lagos area.
