Description:

This charming Mediterranean-style townhouse, located next to the prestigious Ifach golf course in the exclusive San Jaime area, has been completely renovated by its owner. The result is a modern home, ready to move in without any work or worries, in one of the most sought-after environments on the Costa Blanca.
With 73 m^2 of constructed space, the property offers 2 bedrooms and 1 full bathroom, both updated, a bright living area, and a renovated kitchen that is practical and functional. The current finishes and well-planned layout create a cozy and modern space without losing the Mediterranean character that makes it so special.
The exterior remains one of its great attractions: a private terrace surrounded by native vegetation and a covered naya, the perfect spot for outdoor breakfasts, quiet reading, or enjoying temperate afternoons throughout the year.
The property is located in a well-established, very quiet, and privileged urbanization, just 100 meters from the Ifach golf course and its restaurant with a bar and pool. Here you can enjoy a relaxed atmosphere and impressive views of the Peñón de Ifach every day.
Additionally, it is only a 5-minute drive to the beach and all amenities, and 10 minutes from the charming center of Moraira. The international airports of Alicante and Valencia are approximately an hour's drive away.
A unique opportunity to start a new home in a natural and exclusive setting. It is ideal as a main residence or second home, and also as an investment for vacation rentals, with the peace of mind of a recently completed comprehensive renovation.
