Versatile Country Estate: Three Independent Living Spaces & Creative Workshop

Discover a property designed for flexibility and inspiration in the scenic landscape of Bensafrim e Barão de São João, Lagos. This unique offering moves beyond the traditional home, providing three distinct, independent living spaces that easily accommodate multi-generational living, long-term guests, or a creative retreat.

The Layout:
The property is anchored by a functional, flowing design that prioritizes autonomy. Each of the three living units is fully independent, allowing for private domestic life or the potential for separate rental income. Whether you are seeking a shared family compound or a space to balance professional activities with personal life, the configuration provides the necessary "space between" for privacy and autonomy.

The Workshop
At the heart of the propertys utility is a substantial, large-scale workshop. Tailor-made for the artist, maker, or craftsman, this space offers the quiet and square footage required for intensive projectsfrom sculpture and 3D design to hands-on craftsmanship. It is a rare opportunity to house both your livelihood and your lifestyle on a single, peaceful plot.

Setting:
Set within a 734m^2 plot, the property captures the open, rolling views of the Algarve countryside. It offers the quietude of a rural setting while remaining accessible to the amenities of Lagos. This is a sanctuary for those who value craftsmanship, independent living, and the freedom to define how they use their space. - REF: M119
