وصف:

Positioned on the first floor of an imposing stucco fronted Victorian building this one bedroom apartment benefits from abundant natural light and spectacularly high ceilings.

Having undergone an extensive refurbishment, conducted by the current owners, the interior is striking and contemporary throughout.

Benefitting from a wonderful terrace as well as a secluded communal garden, the accommodation comprises an open plan kitchen reception with floor to ceiling windows, wood floors, and a charming handmade fully fitted kitchen, a master bedroom with plentiful built in storage and view over the aforementioned garden, and a spacious modern shower room.

The property is very well situated and lies in very close proximity to the shops/cafes of both Formosa Street and Clifton Road. Local transport links are very good with both Warwick Avenue (Bakerloo) and Paddington (Heathrow Express) in close proximity.
