Spacious house east of Miskolc in a nice area.

The house offers you two floors and there is the living room, 5 bedrooms, kitchen and 2 bathrooms. Downstairs also the garage. Perhaps suitable to buy with several people for a holiday, but also to live together.

The plot is not very large with 700 m2, but it is well maintained. Facilities such as water, electricity and gas are available. There is a connection to the sewerage system for drainage. The house is now centrally heated with a gas boiler. Connecting the internet and telephone is no problem.

You will find Mezőzombor east of Miskolc, in the area of the Tisza River. In the village around 2,500 inhabitants living and have opportunities for daily shopping.

Sárospatak is located 30 km away for a (thermal) swimming pool.

Beautiful natural environment.

Great house and for a great price!!
