وصف:

Located in The Garden.

Come home to your tropical haven at Cove Springs, one of Barbados' most coveted coastal properties in the area. The 7-bedroom main house tucked away on a coral cliff boasts huge suites, a state-of-the-art fitness center, a media room, and multiple indoor and outdoor living and dining spaces. With a separate 3-bedroom guesthouse, as well as huge patios, a resort-style pool area, and private beach access, there's plenty of space for friends and family to relax, unwind, and find his or her own beach-side bliss in this expansive, one-of-a-kind Caribbean escape.

The Cove Spring mansion was designed using coral stone, denoting the hallmark of Caribbean aristocracy. Its Palladian/Georgian open-architecture brilliantly captures the inherent beauty of the island, maximizes natural light, and allows the trade winds to cool the home.

The mansion sits atop a coral cliff overlooking the majestic Caribbean Sea. Hugging the cliff at its base is a secluded beach with private access only from the Cove Spring mansion. The entire property is surrounded by lush greenery, offering exclusive privacy and pristine beauty.

The mansion's castle-like architecture is complimented by sophisticated interior design and haute-couture furnishings, creating a distinctive setting that becomes the centerpiece for the Cove Spring experience. Sophisticated luxury, meticulous service and staff, delectable menus, exclusive privacy and ultimate relaxation.
