وصف:

This wonderful luxury apartment for sale is in the heart of Rome's city centre, a few steps away from the renowned Spanish Steps, on the second floor of a prestigious historical building equipped with a lift. This luxury apartment measures about 500 sqm and offers rooms embellished with finishes, frescoes and wallpaper fabrics of the highest quality that make them elegant, as do the marble bathrooms and parquet floors. The living area of the property consists of two spacious reception rooms with balconies furnished in a classic style, a bright dining room, a study, an eat-in kitchen, and a guest bathroom. The sleeping area features three double en-suite bedrooms: two with a balcony, and one with a private walk-in closet. There is also an area for staff consisting of a laundry area and a single en-suite bedroom. This apartment for sale has a state-of-the-art home automation and security system. Located in one of the most lively and typical areas of the Eternal City, this property is perfect for those who want to fully experience -the magical atmosphere of this city.
