وصف:

Hello, I am subletting my wonderful and furnished 2-room flat with 45 square metres for 3-6 months, depending on the arrangement, as I am not in Rostock for this period and would like to give someone or a couple the opportunity to have a good time here. The flat has everything you need on a daily basis, from a coffee machine to a washing machine, so you can easily move in with your personal belongings. The flat is located directly on the city harbour, which you can also see from the front door. The city centre and the train station are just a 2-minute walk away, so you have everything you need to get around or get from A to B just around the corner.
