وصف:

Imagine a cottage so beautiful that you feel like you have found a little slice of heaven. Now add in a grove of magnificent cedars as your landscape. For sounds only the occasional screech of an eagle as it soars high over head or perhaps the soothing rustle of the wind through the cedars. Relax around a cozy gas fireplace and recharge. Your next door neighbor is a 250 acre park with walking trails leading down to one mile of secluded pacific beach. Check out the pictures.
