وصف:

Welcome to the beautiful city of Burgas and to our one-bedroom colorful apartment with two balconies in top city center. It is perfect for a family of three as we have arranged a smaller bed for the youngster. Walking distance from the Sea Garden and the beach is about 10 minutes. We hope you enjoy your stay!

Our apartment is located at the perfect center of the city of Burgas. The one bedroom is comfortably arranged for a family with a young child with a double bed and a single smaller bed. The bathroom is fully equipped and has a bathtub where you can relax at the end of the day. The kitchen also has everything you need to prepare your own delicious breakfast, lunch and dinner. The common area is furnished with warm colors and we hope this brings you the positive energy we are aiming for. You can as well enjoy the warm sea breeze from the two balconies, which you have access to from the apartment.

We wish you a pleasant stay in our city!

Me and my co-hosts from Flat Manager are available before, during and after your stay!

The location is top center and right next to the Sea Garden. The beach is only 10 minutes away by foot. The city center with all the restaurants and coffee shops is also only a couple of minutes away.

The main bus station and the railway station are 13 minutes away walking. You can also get around with public transportation. If you are arriving by car, please bear in mind that the parking on the streets is allowed but paid!
