Spectacular apartment with magnificent qualities.

As soon as we enter we find the hall that gives access through a large corridor to 3 bedrooms. The main one, very large and independent, equipped with large wardrobes and bathroom en suite.

Two double bedrooms, the 2 with full bathroom en suite and one of them with access to a beautiful patio with a lot of charm.

A spacious living room with two large windows that provide plenty of light, divided into two rooms, living and dining area. Semi open kitchen fully equipped.

The house is sold with or without furniture.

Finca of the 40s, with porter service.

The property is located in BARRIO RECOLETOS, belonging to the SALAMANCA DISTRICT. Known as "THE GOLDEN MILE", it is one of the most important areas of Madrid, both for its peculiar distribution and for the neighbors who have traditionally inhabited its emblematic streets. Traditionally it was an area of residential use, especially inhabited by the political and economic elites of the country. In the last fifty years this residential character coexists with other activities such as business, diplomatic and, especially commercial since it is one of the most important luxury fashion areas of Madrid. In this neighborhood are located some of the most exclusive restaurants, bars and nightclubs in the capital.

It has good communications metro stations 4, 5 and 9, and different bus lines.

BARRIO RECOLETOS: It is one of the most emblematic of Madrid's Salamanca district. It is delimited by Don Ramón de la Cruz Street, to the north; Príncipe de Vergara and Menéndez Pelayo to the east; O'Donnell and Alcalá to the south; and the Paseo de Recoletos and the Castellana to the west. It is right in this part where the main tourist and cultural attractions of Recoletos are located: the National Library, the National Archaeological Museum and, opposite, the Wax Museum. From here the streets of Serrano and Velázquez stand out, characterized by their buildings of noble and nineteenth-century architecture, palaces with stately facades, impressive courtyards and large portals that reflect the splendor of the time in which it was built.
