Beschreibung:

Incredible apartment located on the first line of the Platja del Llevant, just in front of the Paseo Marítimo Jaime I, in Salou. It is located on the 1st floor of a central building, in excellent condition, with an elevator. Garden community area, to enjoy during the summer months.

The apartment has a privileged location, as Levante Beach is the most popular, central, and long in Salou. It stands out for its typical fine golden sand, in addition, it is shallow, and magnificent to take the little ones. It offers all the necessary amenities and many entertainment options, especially in water sports. It is an urban beach bordered by the great Paseo Marítimo Jaime I, which is full of palm trees, shops, terraces, and restaurants that make this area an ideal place to walk and enjoy great beach days. There are also many popular bars and clubs in the city center.

The Port Aventura theme park is a 10-minute drive or a 25-minute bus ride from Salou, and Reus Airport is only 12 km away.

The apartment consists of 165m² of surface, which is distributed into three bedrooms; two bathrooms; a fully equipped individual kitchen; a glazed covered terrace, overlooking the sea, and a living room with access to the balcony.

The large living room, with spectacular sea views, next to the terrace makes this house a real luxury and an oasis of relaxation.

The property is an excellent option for families looking to fully enjoy the charms of Costa Dorada.
