Beschreibung:	

Located in the sought after Sol Park area of Moraira, this modern villa is spread over three levels. The lowest floor is intended as a relaxation area with one bedroom, a bathroom and access to the terrace around the swimming pool. On the first floor, the villa is surrounded by open nayas. The living room overlooks the valley and has a peaceful atmosphere with a fireplace for when the evenings get longer and colder. The dining room is situated between the kitchen, sitting room, and bedrooms. Two spacious bedrooms with a bathroom to share complete this floor. This stylish villa has Tosca stones, pillars, large windows, and glass walls making the villa modern with classic touches. The housing climate can be regulated by means of under floor heating and hidden split air-conditioning. The property benefits from details such as electric gates, carport, and saltwater pool.
