Description	

Beachfront investment land Luperon - La Isabella where it all started!

In the La Isabella area, just west of Luperon, we have this amazing beachfront investment land Luperon with 500 meters of beachfront for sale.

It is said when the crew of Christopher Columbus first stepped onto the shore of what is now La Isabella, Dominican Republic, they called the place Heaven On Earth.

Well, there is no doubt that this place has changed a lot since then. Now the Dominican Republic is a developed country with all the tourist amenities. Today this beautiful country, while quite prosperous itself, also contributes to the prosperity of the whole of Latin America.

The current owner of this magnificent oceanfront property has the approval and the permits to build on this land a hotel with 108 rooms, condos with 120 rooms, bungalows with 104 rooms, and 28 rooms for the employees.
