Rental price per month long-term: US\$ 5.000

Located in the newest section, in a cul-a-sec, of the high-end gated community known as Sea Horse Ranch on the north coast of the Dominican Republic, this exciting, contemporary villa features 4 bedrooms.

A zero-entry pool and mature gardens round out this special villa that was originally designed by a noted European architect as her own home. The house is fully equipped, including laundry facilities.

In addition to 4 lovely bedrooms and modern baths, the villa features a separate office upstairs, a large family/TV room ideal for families with children, a gourmet kitchen, and an amazing sky-terrace high above the roof where one may view sunsets over the distant mountains.

With access to all Sea Horse Ranch amenities including the fully-staffed tennis club, the Beach Club restaurant and pool, and the world-class Equestrian Center, the renter will find himself surrounded by luxury homes and interesting, friendly people.
