Alakati Residences consists of 25 leek, individually designed, gated residences, each with its own unique characteristics and distinctive features. Their ideal location, in a quiet, new, residential area, allows families to enjoy peace of mind. Residents have the best of both worlds by living close to nature and the added advantage of many amenities right at their fingertips. Additionally, all residences come with outdoor barbeque areas and utility/storerooms as standard.

Residence 571-1 & Residence 571-2 are situated at the end of a cul-de-sac making it ideal for a young family of four. Furthermore, both are bright and compact, with a highly efficient practical layout, and every corner within eyeshot, making it easy to monitor the children and clean.

Moreover, natural light and cross ventilation, achieved by an east to west orientation, are some of its unique features. For added convenience, all three bedrooms are ensuite and most importantly a walk-in wardrobe in the master bedroom.
