This charming coral stone home is nestled in a peaceful cul de sac, surrounded by lush gardens. With three bedrooms and three bathrooms, this property offers ample space and comfort. Positioned on a hill, the home takes full advantage of refreshing breezes, creating a pleasant atmosphere throughout.

Conveniently located in close proximity to Sugar Hill resort and the renowned Royal Westmoreland Golf Resort, this property presents an ideal location. It is a mere 3-minute drive to Lonestar beach and just 5 minutes away from the vibrant town of Holetown.

The perfect canvas for a modern touch, this home presents the perfect opportunity to bring two spectrums together.

The house is situated on a substantial 25,000 sq ft plot, which consists of two subdivided plots. The second plot has its own separate entrance, providing the potential to build a two-storey cottage which can be rented separately, sold or added as a part of the existing property. Alternatively, it can be left as a spacious garden and green space, allowing for flexibility and customization.

Built in 1987, the house is offered unfurnished and also features a separate self-contained one-bedroom, one-bathroom apartment.

Additionally, there is a large patio that serves as an excellent space for entertaining guests and enjoying outdoor activities.
