#### Beschreibung:

This charming detached 4 bedroomed stone property is full of character and has a lovely cosy feel. It is situated in a small hamlet on the outskirts of Blanzay, which has a boulangerie and restaurant, and 8km from Civray where all main commerce can be found.

The property is double-glazed, heated by a combination of gas central heating, a wood burner and a pellet burner, and is on mains drains.

Access to the property is along a driveway to electric gates. There is a super large barn, plus several smaller outbuildings, a beautiful mature garden with fruit trees, a well and a pond. The property is very private and a real haven of peace.

The outbuildings provide the opportunity for workshops or (with relevant permissions), conversion to additional accommodation, all in a beautiful setting.
