Beschreibung:

Magnificent Homeland of 81.40 ha, with Watercourse and Island, in Mourão - Évora

Space for Arvense Culture; Mounted and Pasture or Pasture, bathed by Alqueva.

The Property is delimited by fence (in net and barbed wire with wooden poles) and divided into 3 Parks, and the north and west is bounded by water course from the Alqueva Dam.

There is in this space: recent construction in concrete blocks with metal cover, with about 30m2 and alpendurada in zinc with iron structure, with about 350m2.

The property also has 2 holes for watering cattle and watering.

This space is 200m from the EN114, with connection to Mourão and Montemor-o-Novo.

Excellent property for Tourism or Recreational Activities.
