Beschreibung:

Detached house for sale in the urbanization Unbe Mendi, with all the services and amenities of the urbanization (tennis courts, paddle tennis, swimming pools, txoko, supermarket and playground).

The house is divided into three floors with the following distribution:

In the basement we have a great txoko with fully equipped fireplace, a bathroom with shower, a closed room decorated like a pediment and a magnificent cellar. We also find here a very large garage with capacity for about four cars. On the main floor we find ourselves with a very spacious hall that leads us to the kitchen with dining room and from which we access the service area that has a bathroom with bathtub and a bathroom. Also on this floor we have a toilet and a large living room with beautiful views.

The upper floor has six bedrooms, the main one with bathroom and another guest bathroom. A large terrace connects two bedrooms (the main one and another) and has views of the pool and another room has another terrace with spectacular views of the castle Butrón.

The plot surrounding the house is about 2.000 m2 with a private pool of 10 x 5 meters. The heating and

the hot water are of propane gas with communitarian deposit, but with individual counter. - REF: Luciano 807200
