Beschreibung:

If you need a small, useful, central space and at a good price, look no further, you have found it.

For five hundred and fifty euros we offer an office divided into two spaces, which are an office and a classroom or common area. The ordinary community is included in the price: cleaning of common elements, cleaning of exterior glass, concierge, central heating and water.

It is in a central and well-known office building, accessible and well connected.

It is best that you come to see it so that you realize what we are talking about. Call us and we will accompany you to see it whenever you want. - REF: Oficina 912191
