Beschreibung:

It is a new concept designed only to live in Tulum.

This set of houses was designed with the aim of optimizing the connection between architecture and nature, prioritizing the view towards the jungle.

It is located in the "La Velela" subdivision, in a quiet street surrounded by jungle. From here, you can walk to new

restaurants, fruit and vegetable stores in a few minutes.

This location is very close to Kukul-kan avenue, which once completed, you will have direct access to the beach.

6 UNITS

- * Complete kitchens and bathrooms, with fixed furniture and parota wood closets.
- * Porcelain tile floors.
- * High quality gates with mosquito nets.
- * Air conditioning with maximum energy savings
- * Bathroom and kitchen furniture made to measure.
- * Modern kitchens with stove, oven and extractor
- * Bathrooms with ventilation and natural lighting.

-
- * Water heaters
 - * Wired for internet and cable
 - * Private patios and terraces with plunge pool.

We choose neutral colors and natural textures to create an atmosphere of peace.
A design that combines all the necessary elements to
the lifestyle you always dreamed of.
The ideal place to disconnect and reconnect.

The typologies "TH1", "TH2" and "TH3" are two-level houses.
On the ground floor there is a social area: kitchen, living-dining room and toilet. These typologies have
Parking for one car, front garden and a backyard, both private with a concrete plunge pool.
On the second level are two bedrooms, each with a private bathroom and balcony. The master bedroom
has a walk-in closet with wood finishes.
