Beschreibung:

Located in the Vistamar area of Cumbre del Sol, this apartment provides the most fabulous sea views. From the residential parking area there are two sets of steps down to the apartment entrance, where a security door leads into a porch with a large tall storage cupboard. Then through the front door into a hallway with three built-in cupboards, two for storage and the third contains the washing machine and water heater. At the end of the hallway is the family bathroom and an archway which leads into the kitchen. The spacious living and dining room has sea views through the glass sliding doors to the terrace.

There are two spacious double bedrooms with built-in wardrobes. The spacious terrace is perfect for alfresco dining and relaxing and of course wonderful sea views including views to Ibiza on a clear day. Just a short walk from the apartment is a choice of two superb communal infinity pools with showers, large terraces and incredible views. The local shopping centre and beach are only a short drive away, the nearest village Benitachell is only 3.5km and you also have a choice of the nearby towns of Moraira and Javea which have beaches, shops and restaurants.
