Where to begin with this unexpectedly large and beautifully kept property located on one of the oldest streets in the village of Pruna ?

Historically this home was a travellers posada .

but in more recent times has been the much loved home to 3 generations and f the same family.

currently divided in to two distinct homes the property comprises

on the first floor a fully renovated 3 bedroom family home .

a lounge with fire place and balconied French doors

A spacious formal dining room

fitted kitchen

laundry room and enclosed terrace

family bathroom

lounge diner with included ceiling

and 3 double bedrooms .

but that's not all of it ! An internal staircase leads down to ground floor level and the most amazing internal courtyard

with vast beamed roof stables and animal sheds to the rear .

around the patio there are toilet , bathroom and kitchen .

there is a backdoor which enters into the well cared for ground floor , which is packed with original features of arched passage ways , San Juan entrance hall , original doors etc .

here you have

2 very large bedrooms

a formal reception area

a cosy lounge and access to the garage .

the property is absolutely immaculate throughout and needs nothing doing although there are so many possibilities

It would lend itself to a b&b

Or holiday lets and separate owner accommodation

Or why not share it with friends and family ?

theres room in the patios to have a good sized plunge pool or indeed by demolishing part of the stable areas a full swimming pool .
