A Once-in-a-Lifetime Opportunity: Building Your Dream Getaway

This development boasts a very rare opportunity to build a small, fully-equipped dwelling within 100 meters of the seashore. Imagine a cozy yet modern dwelling, designed to seamlessly blend comfort with sustainability. The well-appointed interior will feature a bathroom with all the essential amenities, a compact kitchen ideal for whipping up light meals, and a comfortable bedroom with a breathtaking panoramic view. Gaze out at the endless expanse of the ocean, or marvel at the mesmerizing display of the Northern Lights dancing across the night sky. A strategically placed roof window allows you to enjoy the spectacle of the Midnight Sun, a phenomenon unique to the Arctic Circle, where the sun remains above the horizon for extended periods.

A Playground for Nature Enthusiasts: Endless Exploration at Your Doorstep

Beyond the Property: Exploring the Helgeland Coast

The Helgeland Coast is renowned for its dramatic landscapes, charming fishing villages, and rich cultural heritage. Explore the majestic fjords, kayak through crystal-clear waters, or embark on a whale-watching expedition. Immerse yourself in the vibrant culture of the region, visiting historical sites and sampling the local delicacies.

A Sanctuary for Peace and Serenity:

Unlike many tourist hotspots, Engavågen offers a true escape from the crowds. The absence of close neighbors ensures tranquility and privacy, allowing you to truly connect with the serenity of your

surroundings. Imagine spending evenings stargazing under a sky unpolluted by light, or simply relaxing by the shore, listening to the symphony of the ocean.
