Beschreibung:

Estate with 122 hectares with Dam, 10 minutes from Elvas, with 2 bedroom house on the ground floor, easy access to the property, as it has a tarmac road to the main gate.

Property with great potential for profitability, olive grove of 120 hectares, with good production, having planted three qualities of olives.

PICUAL which is famous for its high productivity and the quality of the olive oil it produces.

COBRANÇOSA, this olive has a great resistance to cold but, as a good Alentejo, it also has some susceptibility to heat. Its productivity is high and constant and gives a good yield in olive oil.

ABERQUINA is one of the most productive and easily adapted olive varieties, the olive oil produced from the Arbequina olive is generally buttery, fruity and has a very mild flavor.

It has 120 hectares of traditional olive groves, with a total production that is between 800,000 kg and 1 million kilos per season, dam, where two irrigation pumps feed the drip system of the existing olive grove, agricultural outbuildings, dwelling house with ground fire, 2 bedrooms, toilets, warehouses, well with drinking water, watercourse bed.

Location Description

Come and discover this magnificent agricultural property in Elvas, where tranquility and nature come together to create the perfect setting for your next rural adventure. With a vast plot of 122,375 square meters, this property is the ideal place to grow your own products, in addition to harvesting olives from the vast existing olive grove.

The main house, with two bedrooms and a bathroom, offers the perfect getaway after a day's work in the countryside, there is plenty of potential to expand and turn this rural paradise into a thriving business.

The competitive price of this property makes it a unique opportunity in the real estate market. Don't miss the chance to fall in love with this rural getaway and make it your own. With excellent profitability in olive production.
