This villa is inserted in a small condominium and has 4 floors. On the ground floor is the kitchen, equipped and with access to a spacious terrace with BBQ. On the same floor, we have a bathroom with shower and a living dining room, with fireplace and access to two more terraces.

On the first floor we have two bedrooms, with built-in wardrobes and each with access to a balcony terrace. We also have a bathroom with a bathtub, which serves the rooms. Then in the attic, we have a spacious area, with natural light, which at the moment serves as a bedroom, but can be transformed into a work or leisure area, according to the needs of the future owner.

At the basement level, we have a garage with automatic gate and a storage room.

The villa is in need of some improvements, but it is operational.
