Limassol is a major city in the South of Cyprus and is known as the financial, economical and cultural centre of the country. With an array of bars, restaurants, shops, beaches and other amenities, Limassol is

popular with residents and tourists alike.

Part of an exciting new project, this 2 bedroom villa is located at the heart of Limassol's tourist area, just 400 metres away from the sea. Featuring a unique design, the development is made up of apartment blocks and semi-detached houses and offers residents luxurious living in a prime location. The villa boasts high-end specifications throughout, with quality fixtures and fittings that include attractive marble and tiles, and laminate wood flooring in the bedrooms. Under floor heating and double-glazed windows provide maximum comfort throughout the year and provisions for electric shutters are also in place.

Upstairs, there are two bedrooms and a shared bathroom.

A private landscaped garden sits to the rear of the property, with plenty of space for al fresco dining and relaxation. Furthermore, residents can take advantage of the communal swimming pool and children's play area.
