High-quality half-timbered house over 2 floors with a fully developed loft. As a semi-detached house with a unique forest view, on a very quiet developed road, consisting of city villas and EFH in Schönwalde (settlement) with beautiful forest view. A half-timbered house has recently experienced a renaissance, because today in the 21st century, terms such as ecology, quality, and durability are becoming increasingly important for many people.

A stone's throw (about 10 km) from Berlin, in a quiet and sought-after location in the district of Schönwalde. The center with shops, Edeka, Netto, post office, pharmacy, various doctors, school, kindergarten, and the town hall, etc. can be reached in a few minutes on foot. The proximity to Falkensee should also be emphasized. You can reach the train station Falkensee, by car or public transport in a few minutes, with the regional train you are in about 15 minutes in the city of Berlin. Schönwalde is a popular meeting place for horse lovers, a large polo field is idyllically located between forest meadows and game reserves, and a bathing lake can be reached in five minutes on foot.

## ABOUT THE AREA

Brandenburg an der Havel is a German town west of Berlin. It's known for its Gothic, red-brick buildings, including the 15th-century Old Town Hall. Close by, Brandenburg Cathedral has a chapel with a painted vault, a baroque organ and a museum displaying medieval textiles. The late-medieval St. Paul's Monastery is home to the Archaeological Museum. Nearby are the ruins of the medieval town wall.

The fastest growing region in Germany, Berlin-Brandenburg, lies at the crossroads of international traffic routes and in proximity to the centers of decision-making. Berlin-Brandenburg offers the highest research density in Germany and a cutting-edge infrastructure combined with an outstanding quality of life. Right in the heart of Europe, investors find excellent business conditions. Small towns and villages offer space for stressed city dwellers and young families.

Historic castles, country manors and gardens, including the UNESCO World Heritage Site in Potsdam (Prussian Palaces and Gardens), and a plethora of museums, galleries, concert halls and theatres charm and entertain residents and guests alike.

If you want to slow down and recreate your body and spirit, widely untouched landscapes are waiting to be discovered by bike, on foot, on horseback or seen from the water on a canoe, a float or a sailing boat.
