Beschreibung:

Because a ruin does not mean obsolescence it can, in fact, be reborn!

That is our purpose: to give new life to ruins in Portugal, transforming them into spaces of charm, comfort and connection with nature.

This project is located in the beautiful Maciço de Sicó, in the heart of Portugal. Just a few minutes away, you will find the fascinating Buracas de Casmilo, the historic ruins of Conímbriga, the charming river beaches or the welcoming warmth of the Figueira da Foz sun. All this on your doorstep, without giving up the serenity of home.

A unique house, set on a 650 m² plot, with a gross construction area of 215 m², carefully designed to harmonize rustic with contemporary.

And because warm days deserve to be celebrated, you can also count on a saltwater pool, perfect for relaxing and creating memories with family or friends.

It is not just a house it is your refuge, it is your home.

Schedule your visit and get to know all the stages of construction up close, as well as the detailed notebook of materials used in this project that combines authenticity, quality and well-being. - REF:
