There is an extra lounge area on the roof of the villa with an external stair from the first floor. This magical spot offers you the best of the view in Aegean Sea and the tranquility of the area, within a natural and quiet environment.

The villa also has a storage room in the underground floor, private parking area and a beautiful garden.

Atsipopoulo is a nice suburb of Rethymnon Town, only 5 km from the centre. Located close to the borders of Rethymnon and Chania, the lovely village offers a unique old atmosphere from the Venetian times.

Visitors are amazed by the many churches of Atsipopoulo, the picturesque arched paths and the stone houses. Some of these houses have been turned into villas and hotels. This traditional architecture is preserved till today as most houses were renovated.
