ABOUT THE AREA

Cape Town is a port city on South Africa's southwest coast, on a peninsula beneath the imposing Table Mountain. Slowly rotating cable cars climb to the mountain's flat top, from which there are sweeping views of the city, the busy harbor and boats heading for Robben Island, the notorious prison that once held Nelson Mandela, which is now a living museum.

If cities were romances, Cape Town would be the love-at-first-sight kind: That first glimpse of Table Mountain from the sky, presiding over a gently curving coastline lapped by brilliant blue waters, is an image that leaves you instantly hooked. But there's plenty to pull you in long after landing, from its chic hotels, world-class restaurants, and thriving art scene, to its dazzling cultural diversity and rich, if complex, history. Each day in the Mother City will see you unearthing new details that will have you falling in love all over again.

Cape Town is also a great place to go hiking, surfing, and whale watching. There are a number of great beaches in Cape Town, including Camps Bay Beach, Clifton Beach, and Llandudno Beach.

If you are looking for a beautiful, diverse, and exciting city to visit, Cape Town is a great choice.
