Chestertons is pleased to offer for sale this unique property in the South District, Gibraltar. If you are looking for a statement property, then you may have just found it. This extraordinary property offers 6 bedrooms, 6 bathrooms plus separate annexe and additional cloakrooms. The architects have been extremely creative in designing a high specification no expense spare detached villa within the framework of a colonial villa. The emphasis is on lifestyle with a layout to include a large entertainment style kitchen plus a main living room featuring an open fireplace, bar and wine cellar. In addition there is also a gymnasium, sauna, jacuzzi, laundry room, cinema and lift. The infinity swimming pool is simply to die for in addition to multiple terraces and a private garage which will house four cars. The large plot nestles at the end of a cul-de-sac making it very private and offers breath-taking views across the straits to Spain and Morocco.
