Beschreibung:

This 301 sqm freehold land presents a rare opportunity for investors and those seeking a serene escape near Pantai Lima Beach. The land features a flat, rectangular shape, offering ease for future construction and design plans. Located within the pariwisata (tourism) zone, this plot is ideal for a holiday villa, a private residence, or an investment property, with a location that offers both tranquility and easy access to Bali's popular destinations.

A key feature of this land is the expansive view of the lush rice fields, adding a peaceful and picturesque backdrop to any development. The 3-meter-wide access road ensures convenient entry and exit, making it accessible for both residential and commercial projects. With its close proximity to Pantai Lima Beach, just 300 meters away, residents will enjoy the soothing sound of the ocean and quick access to one of Bali's quiet and pristine shorelines.

Whether you are looking to invest or build your dream home, this plot offers both convenience and beauty. The combination of the scenic rice fields, proximity to the beach, and its location within a tourism-friendly zone provides ample potential for growth and value appreciation. Don't miss out on this exceptional opportunity to secure a piece of paradise in Bali.

Freehold price: IDR 7,500,000,000 (whole plot)
