Historic villa on multiple levels with exclusive park, located in a favorable position along the SR71, in the stretch that connects the charming village of Cortona with Lake Trasimeno.

The complex to be recovered is divided into two main units that are developed on two floors plus attic, with large spaces and possibility of customization.

The more than 30 rooms and the fenced garden offer the necessary surface to develop projects aimed at the realization, for example, of hospitality facilities, nursing homes or luxury private accommodation.
