Beschreibung:

In the heart of Arco's historic center, a short distance from the Arciduale Park, we present a unique opportunity: a splendid terracielo used as a Bed & Breakfast.

This property is spread over three levels and offers an appealing distribution.

On the ground floor we find three bedrooms, each with its own private bathroom, as well as practical storage rooms.

On the second floor is a bright living room with kitchen, two additional bedrooms, a bathroom and a convenient walk-in closet.

On the top floor the building has a large attic with multiple potential uses.

The property has been completely renovated.

The meticulous attention to detail and the special attention paid to comfort ensure an impeccable welcome for guests who choose to spend their vacations on the picturesque Lake Garda.

Its privileged location at the gates of the historic center offers the convenience of all major services at your fingertips, while its proximity to Lake Garda allows you to enjoy the countless sports and

recreational activities that the region offers.

The property benefits from an outdoor parking space.
