Beschreibung:

This 16th century villa for sale in the province of Venice, is immersed in a centuries-old park with a well-known 18-hole golf course built in the 1980s, often the location of major sporting events. The property includes an oratory, now home to exhibitions and conferences, tennis courts, a swimming pool, fine cellars, the auditorium for conferences and cultural events and the frescoed guesthouse. The property consists of a central body, a large balcony and three-mullioned windows on the main floor, which houses the party room, surrounded by frescoed rooms with allegories and luxurious bedrooms. The kitchens and warehouses are located on the ground floor while on the first floor we have the rooms for the staff. The park was completed in the early 18th century and in the courtyard there are two barchesse, one east of the house used as a guesthouse.
