Beschreibung:

Kallista Mansion, a timeless luxury building with only 87 residents. Built in 1997, this is a very well maintained property with strong structure. Facilities include resort style swimming pool, gym, tennis court, shuttle service to the BTS and it is a pet friendly building.

The unit size is 315 sqm with unblocked views, in the Sukhumvit area this is a very rare find. The apartment has a huge living space, dining room with a table that seats eight and a large kitchen. The kitchen is nicely tiled and has a stovetop, oven, microwave, refrigerator, washing machine and lots of cabinets.

There are three ensuite bedrooms, all with quality wood built in furniture, cabinets, desks and wardrobes. In addition this is a 1/2 bath W.C., a separate maids quarter and two parking places.

A quiet residential alley with lots of restaurants and life style shops in easy reach, this unit is perfect for a large family. Lots of space for everyone. Contact us for details.
