Beschreibung:

Complex for sale in the center of Arucas Historic building built in 1896 (According to cadastral certification (1960), with dimensions of 450m², it is distributed over 2 floors. It has 8 bedrooms, 1 hall / hall on each floor, 3 bathrooms, dining room and kitchen. In addition to 2 ideal premises for shops with independent entrances. The interior has a patio that brings a lot of light to all rooms. The location is extremely central as it is located in CL Francisco Gourie, where all the movement of Arucas is. The property would have to be adapted, since it is not ready to live. That is why we are looking for investors or entrepreneurs willing to give it a better appearance and use it for the management of a hotel complex or similar purposes. The facade was declared a Historical Heritage which increases the popularity and importance of this building for the residents of Arucas. Any proposal will be taken care of, do not hesitate to contact us. ^^ Contact and know the property in detail ^^.
