Beschreibung:

Set in a stunning location with views over the rolling countryside, just 5 minutes from the bastide town of Eymet, in the heart of its approximately 7,000 m² park, this beautiful building of approximately 330 m² has benefited from a careful renovation, preserving the old materials. The immense living room, bathed in light, offers breathtaking views of the park and the surrounding countryside, and opens onto a covered terrace. The open kitchen is equipped with a central island, with an adjoining scullery for storage. Also on the ground floor: entrance hall, laundry room, small living room, second kitchen, WC and a master suite. Three bedrooms upstairs with a dressing room. Outside, you will find a swimming pool, surrounded by a stone wall, a wooded park with a well, as well as a workshop and a garage in the basement. Exceptional property and rare on the market!
